President: Dave Husby

Vice President: Dorothy Pasco

Secretary: Bev Lloyd

Treasurer: Katherine Husby

President's Corner

August is gone. September is here and many things are going on this month. Your Board of Directors met on 3 August where some significant actions were taken. We approved the motion to award the contract for our new flooring to the local company called Inside Design from Turtle Lake. The timing on installation will be set some time this month or in October. We look forward to supporting the Rutabaga Fest with a Rocking Horse Raffle which will end at the end of our Fall Festival. Buy your tickets here or at our stand on Main Street in front of The Advocate Building. Questions have been asked about our membership dues policy. After discussion among the board members the following policy emerged. We all agreed something had to be done. This policy will be a starting point which we will tweak as time goes on. Dues for the year are due and payable on the first of January each year. No matter when you pay your dues for the year they only apply to the current year. If a new member applies for and pays for membership after the first of July of the current year those dues will be for the last half of the current year and the full year of the next year. Renewing members do not receive this one time exemption. We hope this satisfies the membership. The Fall Festival is scheduled for 24 September between the hours of 9AM till 2PM. Be sure to contact Gloria or Bev if you can help. September 30 and October 1 we will man the Louies Brat stand. Be sure to sign-up to work. Look for the schedule in the center soon. See you around the campus. Your President.

Center is closed Sep 5th for the Labor Day Holiday.
